

Third Party Mandate

A third party mandate is a formal instruction from you to HSBC UK. It tells us that you'd like someone else to carry out everyday banking transactions on your HSBC UK bank account.

These don't include arranging a formal overdraft or opening or closing an account for you. You might consider this option if you need help managing your accounts, for convenience or because you don't have access to them. For example, if you're recovering from an operation you might want someone to pay your bills.

Third parties are permitted to have access to your accounts through Telephone Banking if this mandate is to cover all of your accounts held now (section 3(a)), all of the authority options in section 5(b) are ticked yes and there is only ONE third party signatory requested or if more than one, the signing instructions are "Any ONE individually" (section 6).

Third parties are not permitted to have access to your accounts through Online Banking unless there are exceptional circumstances. Please see our Third party access guide at [hsbc.co.uk/help/life-events/third-party-mandate/](https://www.hsbc.co.uk/help/life-events/third-party-mandate/).

This Third Party Mandate can only be used for Personal Accounts

The account holder(s) should attend a branch together with their nominated third party(ies) to complete all formalities. If this is not possible, and the completed mandate is posted to the Bank or delivered to the Bank by the third party(ies), then the Bank reserves the right to undertake a security check.

The Third Party Mandate will not come into force until the check has been completed.

General Guidelines/Instructions

- The mandate can only be cancelled by the account holder(s).
- This mandate does not cover any future accounts opened with us. A separate Third Party Mandate must be submitted once the account is active.
- The completed mandate should be returned to your branch.

Identification and Address Verification of Third Party Signatories

To comply with current regulations, the Bank must identify and verify the address(es) of any person(s) that you authorise to operate your account(s). Please note that original documents are required from each third party signatory and we can accept a valid full UK Photocard Driving Licence to confirm both their identity and address. If they don't hold one, we'll require separate documents.

We are required to take copies of any documents supplied and retain these for our records.

Examples of documents include the following:

- Valid full UK Photocard Driving Licence for identification and address verification.
- Valid full Passport for identification.
- Credit card statement or utility bill dated within the last four months for address verification.
- Upon request, we will provide guidance on other suitable documents.
